County	Program Name	Program Component	Program Description	Website	Contact Information
Peer/Family Support Specialists					
Madera	Hope House and Mountain Wellness Centers	PEI	Hope House (City of Madera) and the Mountain Wellness Center (Oakhurst) are two "drop-in-centers" with the primary goal of providing outreach and education services for community members who may be at risk of mental illness.	https://www.maderacounty.com/government/behavioral-health-services/mental-health-services-act-information	(559) 673-3508
Housing					
Madera	Housing	CSS	On June 3, 2010, the Madera County Housing Plan was approved contingent upon the submission of specific project information. There is a collaborative effort for this project between Madera County Behavioral Health and the Housing Authority of the City of Madera. They have joined together to form a non-profit organization named MMHSA Housing, INC. Currently there are facilities in Madera, Chowchilla and Oakhurst. Since the plan was approved, a four bedroom house that will accommodate four consumers in supportive housing in the city of Madera has been purchased and is operational. A four-plex in Chowchilla that accommodates eight consumers has been developed and is operational. We are contributing to a small apartment complex project in Oakhurst.	https://www.maderacounty.com/government/behavioral-health-services/mental-health-services-act-information	(559) 673-3508
SB 82 Funded					
Madera	SB 82	SB 82	Three clinicians were funded through SB 82 funds to provide crisis services to residents of Madera and Oakhurst. One of the clinician is placed at the Emergency Department of Madera Community Hospital. One clinician is placed at the Madera Clinic and one at the Oakhurst Clinic. Program is operational.	https://www.maderacounty.com/government/behavioral-health-services/mental-health-services-act-information	(559) 673-3508

Unspecified

Madera	Children/TAY FSPs	CSS-FSP	This program serves a target population of ages 0-25 who due to their mental illness experience out of home placement, isolation, juvenile justice involvement, homelessness and/or failure in achieving educational milestones. Individuals in the FSP receive more frequent counseling services and more intensive case management.	https://www.maderacounty.com/government/behavioral-health-services/mental-health-services-act-information	(559) 673-3508
Madera	Adult/Older Adult FSPs	CSS-FSP	This program serves target population of ages 26 and over who due to their mental illness are at risk of becoming unserved or underserved, being placed out of home, experiencing increased levels of isolation, involved in the criminal justice system, homelessness, and receiving involuntary treatment or hospitalization. Individuals in the FSP receive more frequent counseling services and more intensive case management.	https://www.maderacounty.com/government/behavioral-health-services/mental-health-services-act-information	(559) 673-3508
Madera	PEI Community and Family Education	PEI	These programs offer training in specific educational curriculums, e.g., Mental Health First Aid, Los Niño's Bien Educators and the New Confident Parenting Program to any member of the public including clients, client family members, and staff. During FY 2012-2013, suicide prevention programs were implemented. Those programs include ASIST (Applied Suicide Intervention Skills Training) and SafeTALK (another suicide prevention skills training).	https://www.maderacounty.com/government/behavioral-health-services/mental-health-services-act-information	(559) 673-3508
Madera	PEI Statewide Programs	PEI	Madera County PEI Statewide dollars have been assigned to the Department of Mental Health and California Mental Health Authority (CalMHSA). The three programs are CalMHSA Suicide Prevention, CalMHSA Stigma and Discrimination Reduction, and CalMHSA Student Mental Health Initiative. CalMHSA has been actively initiating state-wide and regional programs in response to the statewide dollars. One of the regional programs is a suicide prevention hotline for this region of central California. We also participate in the Know the Signs campaign.	https://www.maderacounty.com/government/behavioral-health-services/mental-health-services-act-information	(559) 673-3508

<p>Madera</p>	<p>PEI Regional Program Suicide Prevention Training</p>	<p>PEI</p>	<p>During FY 2011-12, Madera County BHS was able to tap into regional funds to have select staff trained in providing suicide prevention training. This training, ASIST (Applied Suicide Intervention Skills Training) is an evidenced-based training. The ASIST workshop is for caregivers who want to feel more comfortable, confident and competent in helping individuals to prevent the immediate risk of suicide.</p>	<p>https://www.maderacounty.com/government/behavioral-health-services/mental-health-services-act-information</p>	<p>(559) 673-3508</p>
