# **Report of Independent Auditors**

To the Board of Supervisors Madera County

### **Report on the Financial Statements**

We have audited the accompanying financial statements of the Maintenance District 43 – Miami Creek Knolls (District), a component unit of the County of Madera, California as of and for the year ended June 30, 2017, and the related notes to the financial statements, which collectively comprise the District's financial statements as listed in the table of contents.

### Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

### Auditor's Responsibility

Our responsibility is to express an opinion on these financial statements based on our audit. We conducted our audit in accordance with auditing standards generally accepted in the United States of America and the California Code of Regulations, Title 2, Section 1131.2, State Controller's *Minimum Audit Requirements* for California Special Districts. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the District's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the District's internal control. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

### **Opinion**

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial position of Maintenance District 43 – Miami Creek Knolls as of June 30, 2017, and the changes in its financial position and cash flows for the year then ended in accordance with accounting principles generally accepted in the United States of America.

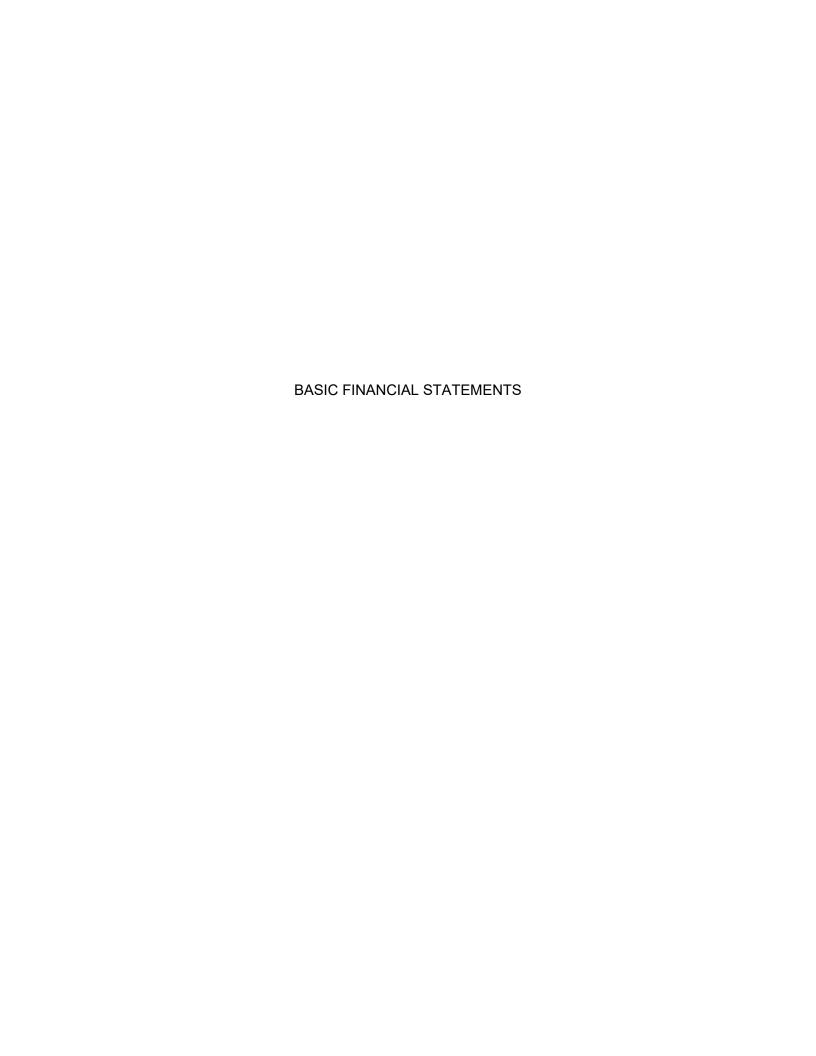

#### Other Matter

Required Supplementary Information

Alm U6

Management has omitted the Management's Discussion and Analysis that accounting principles generally accepted in the United States of America require to be presented to supplement the financial statements. Such missing information, although not a part of the financial statements, is required by the Governmental Accounting Standards Board, who considers it to be an essential part of financial reporting for placing the financial statements in an appropriate operational, economic, or historical context. Our opinion on the financial statements is not affected by this missing information.

Fresno, California September 25, 2019

# NOTES TO THE BASIC FINANCIAL STATEMENTS JUNE 30, 2017

### NOTE 1: SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

The basic financial statements of the **MD 43 - Miami Creek Knolls** (District) have been prepared in conformity with generally accepted accounting principles (GAAP) as applied to governmental agencies. The Governmental Accounting Standards Board (GASB) is the accepted standard setting body for establishing governmental accounting and financial reporting principles. The more significant of the District's accounting policies are described below.

### A. Reporting Entity

The District provides water service to a small residential development. The District is located between the communities of Ahwahnee and Oakhurst off State Route 49 at Lauri Lane in Madera County. The District was formed on February 6, 1990 by Board Resolution 90-020. The Miami Creek Knolls Water System serves 26 improved units. The water is furnished by the District's one active well and an intertie with Maintenance District 60, Dillon Estates. This new well is temporarily piped into MD60's storage tank. From there water is supplied to the distribution system which conveys water to MD-43. The water rates were last set on November 5, 2007 by Resolution No. 2007-240 with an annual Consumer Price Index adjustment. The current rate for improved lots is \$98.66 per month. The District also receives grant funding to cover the distribution system and well improvement project costs.

The Board of Supervisors is the governing body of the District. The District is considered a blended component unit of the County of Madera and is reported as an enterprise fund in the County of Madera financial statements. The financial statements included in this report are intended to present the financial position and results of operations of only the District. They are not intended to present the financial position or results of operations of the County of Madera taken as a whole.

### B. Basis of Presentation and Method of Accounting

Proprietary fund financial statements include a Statement of Net Position and a Statement of Revenues, Expenses, and Changes in Net Position, and a Statement of Cash Flows.

The District accounts for its activities as a single enterprise fund. Proprietary funds are accounted for using the "economic resources" measurement focus and the accrual basis of accounting. Accordingly, all assets and liabilities (whether current or noncurrent) are included on the Statement of Net Position. The Statement of Revenues, Expenses, and Changes in Net Position presents increases (revenues) and decreases (expenses) in total net position. Under the accrual basis of accounting, revenues are recognized in the period in which they are earned, while expenses are recognized in the period in which the liability is incurred.

Operating revenues in the proprietary funds are those revenues that are generated from the primary operations of the fund. The principal operating revenues of the District are charges for services. All other revenues are reported as non-operating revenues. Operating expenses are those expenses that are essential to the primary operations of the fund. Operating expenses for the District include the costs of sales and services, administrative expenses, and depreciation on capital assets. All other expenses are reported as non-operating expenses.

#### C. Cash and Investments

Cash and investments shown in the Statement of Net Position represent the District's share of the County of Madera's cash and investment pool. Interest earnings from this pool are transferred to the District on a quarterly basis based on the District's average daily balance. The County has an investment committee, which performs regulatory oversight for its pool as required by California Government Code Section 27134.

# NOTES TO THE BASIC FINANCIAL STATEMENTS JUNE 30, 2017

### NOTE 1: SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

#### D. Receivables

Receivables consist of fees charged for water services and interest from the County of Madera. Management believes its receivables to be fully collectible, and accordingly, no allowance for doubtful accounts is required.

#### E. Due From Other Governments

The District received a \$3,581,000 construction grant award from the Health and Human Services Agency California Department of Public Health to fund the water system consolidation project. This is a reimbursement grant and the grant period is from January 14, 2014 to September 30, 2017. The amount due from the California Department of Public Health as of June 30, 2017 is \$218,684. Management believes this receivable to be fully collectible, and accordingly, no allowance for doubtful accounts is required.

### F. Capital Assets

Capital assets, which include property, plant, equipment, and infrastructure assets (such as roads and similar items), are reported in the Statement of Net Position. Capital assets are defined by the District as assets with a cost of more than \$5,000 for machinery and equipment and \$10,000 for the other categories of capital assets with an estimated useful life of more than one year. Capital assets are valued at historical cost or estimated historical cost if actual historical cost was not available. Donated assets are valued at their estimated fair market value on the date donated.

Depreciation is recorded on a straight-line basis over estimated useful lives of the assets as follows:

Depreciable Asset	Estimated Life
Infrastructure	20-50 years
Water Systems	16-65 years
Structures and Improvements	30-50 years
Equipment	3-20 years

The District's construction in progress is related to the MD43 distribution system and well improvement project. Total project cost is approximately \$4.1 million and the total cost incurred to date is \$3,836,969. The District received a \$3,581,000 construction grant award from the Health and Human Services Agency California Department of Public Health to help fund this project. The completed asset will belong to MD43.

Maintenance and repairs are charged to operations when incurred. Betterments and major improvements which significantly increase values, change capacities, or extend useful lives are capitalized. Interest accrued during capital assets construction, if any, is capitalized as part of the asset cost.

# NOTES TO THE BASIC FINANCIAL STATEMENTS JUNE 30, 2017

### NOTE 1: SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

#### G. Net Position

Net position is classified in the following three components:

- Net investment in capital assets This category groups all capital assets, including infrastructure, into
  one component of net position. Accumulated depreciation and the outstanding balances of debt that
  are attributable to the acquisition, construction or improvement of these assets reduce the balance in
  this category.
- Restricted This category presents external restrictions imposed by creditors, grantors, contributors, laws, or regulations of other governments and restrictions imposed by law through constitutional provisions or enabling legislation.
- Unrestricted This category represents all other net position of the District, that do not meet the definition of "net investment in capital assets" or "restricted net position."

When both restricted and unrestricted resources are available for use, unrestricted resources are used only after the restricted resources are depleted.

#### H. Use of Estimates

The preparation of basic financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results could differ from those estimates.

### NOTE 2: CASH AND INVESTMENTS

Cash and investments at June 30, 2017 are classified in the financial statements as follows:

Cash and investments – unrestricted

\$458,676

The District's cash and investments consisted of the following as of June 30, 2017:

Deposits held with County of Madera Investment Pool

\$458,676

### **Risk Disclosure**

Required disclosures for the District's deposit and investment risks for the cash held in the County of Madera Treasury at June 30, 2017, were as follows:

Credit risk
Custodial risk
Concentration of credit risk
Interest rate risk

Not rated
Not applicable
Not applicable
Refer to County of
Madera's financial
statements

Required disclosure information regarding categorization of investments and other deposit and investment risk disclosures can be found in the County of Madera's Comprehensive Annual Financial Report and may be obtained by contacting the County Auditor-Controller's Office at 200 W. 4th Street – Madera, CA 93637.

# NOTES TO THE BASIC FINANCIAL STATEMENTS JUNE 30, 2017

### NOTE 2: CASH AND INVESTMENTS (Continued)

#### **Fair Value Measurements**

The District categorizes the fair value measurements of its investments based on the hierarchy established by generally accepted accounting principles. These principles recognize a three-tiered fair value hierarchy, as follows:

- Level 1: Investments reflect prices quoted in active markets;
- Level 2: Investments reflect prices that are based on a similar observable asset either directly or indirectly, which may include inputs in markets that are not considered to be active; and,
- Level 3: Investments reflect prices based upon unobservable sources.

The District's cash investments in the County of Madera Investment Pool are carried at fair value. County of Madera invests in numerous types of investments ranging all levels in the fair value hierarchy. Accordingly, County of Madera Investment Pool is not an investment type that can be categorized in any particular level in the fair value hierarchy.

### NOTE 3: CAPITAL ASSETS

Capital assets activity for the year ended June 30, 2017, was as follows:

	Balance									
	July 1, 2016,				Deletions/			Balance		
		restated	Additions		Adjustments		June 30, 2017			
Capital assets, not being depreciated:		_								
Land	\$	36,158	\$	-	\$	(1,230)	\$	34,928		
Land under roads		4,113		-		(4,113)		-		
Construction in progress		3,009,090		827,879		<u>-</u>		3,836,969		
Total capital assets, not being depreciated		3,049,361		827,879		(5,343)		3,871,897		
Capital assets, being depreciated:										
Infrastructure		2,742		-		(2,742)		-		
Water systems		40,311						40,311		
Total capital assets, being depreciated		43,053				(2,742)		40,311		
Less accumulated depreciation for:										
Infrastructure		(2,742)		-		2,742		-		
Water systems	-	(36,129)		(154)		-		(36,283)		
Total accumulated depreciation		(38,871)		(154)		2,742		(36,283)		
Total capital assets being depreciated, net		4,182		(154)				4,028		
Total capital assets, net	\$	3,053,543	<u>\$</u>	827,725	\$	(5,343)	\$	3,875,925		

Depreciation expense of \$154 was charged to the water service function of the District.

# NOTES TO THE BASIC FINANCIAL STATEMENTS JUNE 30, 2017

#### NOTE 4: DUE TO COUNTY OF MADERA

The District contracts with the County of Madera to provide certain services to the District. The District's accounting and clerical functions are performed by County personnel. The County of Madera charges the District for administrative costs incurred. The amount due to the County of Madera as of June 30, 2017 for services received was \$72,689.

## NOTE 5: ADVANCES FROM COUNTY OF MADERA

The following is a summary of the advances from the County of Madera for the year-ended June 30, 2017:

	Balance July 1, 2016				Deletions		Balance June 30, 2017		Due Within One Year	
Grant Anticipation Note 2013-series Advances from County of Madera Grant Anticipation Note 2017-series	\$	80,000 2,947 <u>-</u>	\$	329,600	\$	- - -	\$	80,000 2,947 329,600	\$	80,000 - 329,600
Total	\$	82,947	\$	329,600	\$	-	\$	412,547	\$	409,600

In fiscal year 2013-14, the County of Madera approved an advance amount not to exceed \$500,000 to assist with the cash flow needs related to a capital improvement project, of which the District drew upon \$80,000 of the funds. The advance was due on January 1, 2017. The outstanding balance of the loan advance as of June 30, 2017 was \$80,000. The District intends to pay back this advance through future cash flow at the current established rate, however, future rate increases may be necessary in order to fulfill the obligation.

The District has been advanced funds from the County in the amount of \$2,947. The advance is unsecured, noninterest bearing, and is due on demand. The County does not anticipate demanding repayment in the next fiscal year; therefore, the balance has been shown as a noncurrent liability on the statement of net position.

On June 6, 2017, the County of Madera approved an advance amount of \$329,600 to assist with the cash flow needs related to a capital improvement project. The advance is due on June 6, 2018. The outstanding balance of the loan advance as of June 30, 2017 was \$329,600. The District intends to pay back this advance through future cash flow at the current established rate, however, future rate increases may be necessary in order to fulfill the obligation.

### NOTE 6: INSURANCE AND RISK OF LOSS

The District is exposed to various risks of loss related to torts; theft of, damage to, and destruction of assets; and natural disasters. Because the District does not have employees, it is not exposed to injuries to employees. The District's officers are officials of the County, and therefore coverage for general liability and errors and omissions is provided under the County's program. This program is self-insured to a level of \$100,000, after which excess coverage is obtained through participation in the CSAC Excess Insurance Authority (EIA). Disclosure of complete information on risk management can be found in the County of Madera Comprehensive Annual Financial Report.

# NOTES TO THE BASIC FINANCIAL STATEMENTS JUNE 30, 2017

### NOTE 7: COMMITMENTS AND CONTINGENCIES

#### <u>Grants</u>

The District participates in a State grant program subject to financial and compliance audits by the grantor or their representatives. The amount, if any, of expenses which may be disallowed by the granting agency cannot be determined at this time. However, management does not believe that audit disallowances, if any, would have a significant effect on the financial position of the District.
