DISTRICT ATTORNEY

COMMENTS

The District Attorney is responsible for criminal prosecution of all violations of State and County laws, as well as civil prosecutions of certain violations of State and County laws. The gross number of prosecutors has remained substantially the same with minor (non-salary growth) changes to net county costs due to grant reception or termination since 2011. Over that time, the Sheriff's office has grown dramatically, as has the Madera Police Department, the main agencies which submit reports for prosecution. Prosecution itself has also changed, requiring a more nuanced approach to cases. Prosecutors now spend substantially more time crafting resolutions in accordance with new laws requiring emphasis on rehabilitation, treatment, and curbing recidivism. Our request for additional staff allows us to meet all of these new needs and continue to keep Madera County safe.

DISTRICT ATTORNEY

ESTIMATED REVENUES (continued)

680200 **Operating Transfers In** (\$290,000) for the District Attorney's receipt of AB109 realignment funds (\$290,000).

AB 109 REVENUE

On September 27, 2011, Madera County Board of Supervisors adopted the County of Madera Public Safety Realignment Plan. As part of this plan the District Attorney will receive a share of the state realignment revenue. This additional revenue (estimated \$45,000) will offset part of the Deputy District Attorney that will backfill the vacated spot that resulted from assigning a Deputy District Attorney to the department's DUI program.

DISTRICT ATTORNEY

SERVICES & SUPPLIES

- 720300** **Communications** (\$42,500) is recommended unchanged based on current actual costs for cell phones and office phones for staff. Since the Court moved to its new building there has been an increasing need for our prosecutors to be able to communicate with investigators and other support staff at the main office. The sensitive nature of the email, texts, and phone calls requires us to provide staff with cell phones. Human Resources has suggested we provide work cell phones for necessary staff. Verizon Wireless is the current cell phone provider for the District Attorney's Office. Service for the cell phones will cost \$38,900 per year. The remaining \$3,600 is the cost for land line phones and fax for the District Attorney main office and Sierra office.
- 720600** **Insurance** (\$179,604) reflects the Department's contribution to the County's Self-Insured Liability Program.
- 720702** **Witness Fees** (\$3,000) is recommended unchanged for witness fees, which are the responsibility of the District Attorney.
- 720800** **Maintenance – Equipment** (\$1,000) is recommended unchanged for maintenance agreements, mobile radio repairs, computer and photo equipment repairs, and CLETS maintenance.
- 721100** **Memberships** (\$19,756) is recommended increased \$796 and is based on actual expenses for membership in the California District Attorneys' Association for the District Attorney (\$3,801), all Deputy District Attorneys (\$4,364), Fresno-Madera Chiefs' Association (\$125), California District Attorney Investigator's Association (\$220), California Rural Crime School for the Chief Investigator (\$100), and payment of the California State Bar dues for each Attorney in the Department (\$11,146), as required in the MOU.
- 721300** **Office Expense** (\$75,000) is recommended increased \$25,000 for general office supplies, computer equipment, copying costs, maintaining legal periodicals and books, the purchase of printed forms. Asset Forfeiture and Consumer Protection revenue will offset this entirely.
- 721400** **Professional & Specialized Services** (\$85,000) is recommended increased \$42,000 for the Karpel Case Management System maintenance (\$38,375) and for polygraph and handwriting analysis, expert witness fees, interpreters, laboratory technician cost, auto accident experts, on-line legal services, background investigations, and various other classes of experts or exams (\$46,625).
- 721601** **Rents & Leases – County Vehicles** (\$60,500) is recommended for the leasing of thirteen vehicles from Central Garage. The vehicles are used by the investigators in performance of their duties. The trucks will be used for an estimated 54,000 miles at a cost of \$32,500. The sedans will be used for an estimated 50,000 miles at a cost of \$28,000.

DISTRICT ATTORNEY

SERVICES & SUPPLIES (continued)

- 721900** **Special Departmental Expense** (\$21,000) is recommended unchanged for witness expenses, CD and DVD media, photographic services, prison and court records, investigator equipment, and \$5,000 for special funds. These expenses are critical for providing the prosecutors with the necessary resources in trial.
- 721910** **Juvenile Justice Commission** (\$2,000) is recommended unchanged in accordance with the submitted request by the commission and includes compensation and mileage reimbursement for the 12 commission members, plus photo copy and postage charges.
- 721912** **Special Departmental Expense - POST Training** (\$3,000) is recommended unchanged for annual training and POST compliance expenses for the District Attorney Investigators. Any funds expended for this purpose are reimbursed to the County by POST.
- 722000** **Transportation & Travel** (\$56,000) is recommended increased \$2,000 for meetings, conferences, private mileage and transportation of prisoners, if required. The increase is necessary to accommodate the required training for additional staff. The training costs in this line item will be partially offset by Asset Forfeiture funds that have been included in the revenue estimate, or by Consumer Protection funds awarded to the District Attorney's Office.
- 722100** **Utilities** (\$8,100) are recommended for the Department's share of utilities.

OTHER CHARGES

- 730330** **Rents & Leases - Equipment** (\$21,650) is recommended for rental of a copy machine (\$8,550), and for rental of a vehicle storage facility (\$13,100). The vehicle storage facility is used to store impounded vehicles designated as evidence.
