Madera County Department of Public Health (MCDPH) announces, “Your Shot at Fun!” COVID-19 Vaccine Sweepstakes

MCDPH supported by Kaiser Permanente announces the “Your Shot at Fun!” vaccine incentive program. The incentives aim to give an extra nudge to those who still need to get vaccinated against COVID-19, especially families in hard-to-reach communities, while also thanking everyone who has already been vaccinated.

Family-focused prizes include a Disneyland family vacation, Six Flags annual passes, Monterey Bay Aquarium annual family membership, California State Parks Pass, and much more! Madera County residents ages 5 and up are automatically entered to win after receiving one dose of a COVID-19 vaccine, whether newly or previously vaccinated. Winners will be randomly drawn every Friday starting April 1, through July 1, 2022.

“Our vaccination rate has been slowly climbing and we would like to reach at least 70% for community protection,” said Sara Bosse, MCDPH Director. “Some folks wanted to be vaccinated right away. Others needed time to feel comfortable getting the COVID-19 vaccine. If you haven’t yet – Get your shot at fun!”

“We are proud to support Madera County Department of Public Health’s ‘Your Shot at Fun’ campaign because we recognize the importance of continuing to educate and inform residents, especially in those communities hit hardest by the pandemic,” said Wade Nogy, Senior Vice President and Area Manager for Kaiser Permanente Fresno. “

More than 63 percent of Madera County residents aged 5+ are at least partially vaccinated, but rates are especially low among young children, ages 5-11.
