MEMORANDUM

To: Planning Commissioners

From: Robert Mansfield, AICP, Planner III

RE: Housing Element Workshop

The County of Madera entered in to a contract with Mintier-Harnish out of Sacramento to prepare our Housing Element of the General Plan. The update is required by State Law, and is the only General Plan element that has this requirement.

To date, the County has held one Task Force meeting and one public workshop. Tonight's meeting is the second of those workshops.

The County is well ahead of schedule to meet the January, 2016 deadline for certification by the Housing and Community Development Department.
