

**SIDELETTER OF AGREEMENT
BY AND BETWEEN THE
COUNTY OF MADERA AND THE
MADERA COUNTY PROBATION ADMINISTRATOR'S ASSOCIATION
REGARDING THE
PEACE OFFICER AND RELATED
CLASSIFICATION AND COMPENSATION STUDY
COMPENSATION IMPLEMENTATION**

This Side Letter Agreement ("Agreement") is made and entered into by the Madera County Probation Administrator's Association ("Association") and the County of Madera ("County") collectively referred to as the "Parties." Having met and conferred in good faith, the Parties hereby agree to the following:

1. Attachment 'A' – Benchmark Data Report. Attachment 'A' identifies the list of classifications and agencies determined by the County to be benchmarks that were utilized for the salary review.
2. Attachment 'B' – Employee Allocation Spreadsheet. Attachment 'B' summarizes the application of the proposed changes set forth in this side letter to unit members, which includes a chart identifying each employee, their current classification, bargaining unit, salary range, salary step, and annual salary and the proposed classification, bargaining unit, salary range, salary step, and annual salary.
3. Attachment 'C' – Salary Table. Attachment 'C' of this side letter includes the proposed 8-step Salary Table, including salary ranges used in the Salary Schedule. There is a 3% difference between each salary step and a 5% difference between each salary range.
4. Salary Placement - Effective with the Board's ratification of this side letter, all bargaining unit employees will be placed on the appropriate salary range for their classification and at the salary step which is the same or closest to their salary as of the month of ratification but ensures that they not receive less than that salary. Initial step placement on the identified range will be determined by either the step that the employee was at on the 5-step salary range as of January 1, 2022, or the step that the employee is on the 5-step salary range at the time of ratification of this sideletter, whichever provides the employee with a higher step placement on the 8-step salary range.

If the initial placement provides the employee with less than a 3% increase, then step placement will be at the next salary step on the appropriate salary range without going higher than the top step of the 8-step salary range.

All bargaining unit employees will advance to the next higher step on the 8-step salary range on their salary anniversary dates in accordance with existing County/Department policies and procedures.

5. Subject to Civil Service Commission approval, the County is proposing that a current Deputy Chief Probation Officer, Stephanie Stoeckel, be reclassified to the new Assistant Chief Probation Officer classification which is 'Unrepresented' for purposes of employer-employee relations.
6. All provisions of the MOU not amended by this sideletter agreement shall remain in full force and effect.

Agreed this 19th day of August, 2022.
