2. The Chairman will first ask the project applicant or proponent to present any points they feel the Commission should understand about their proposal. The Commission may ask questions.
3. The Chairman will ask those in support and then those opposed to the application to come to the podium and present any testimony they wish to give in regard to the proposal being considered.

## **RULES FOR PRESENTING TESTIMONY**

All persons who wish to present testimony to the Planning Commission in a public hearing must observe the following rules:

1. All testimony must be presented from the podium. When beginning to speak, first identify yourself, County of residence, and interest in the matter. This is required for the public record. Since all meetings are recorded, please speak clearly and use the microphone provided.
2. All remarks must be addressed to the Chair. Conversation or debate between a speaker at the podium and a member of the audience or staff is not permitted.
3. Please keep your remarks as brief as possible. Focus your testimony on the most important facts you wish to be considered. Avoid duplicating testimony provided by others.
4. Planning Commission hearings can involve highly emotional issues, so it is important that all participants conduct themselves with courtesy, dignity, and respect.
5. Whenever possible, written testimony should be presented as well as oral. Written testimony should be submitted for Planning Commission consideration in advance of the actual hearing date.
