Madera County Department of Public Health Mobile Health Team

Madera County – Madera County Department of Public Health (MCDPH) is proud to announce the release of its new mobile health vans. The two vans will serve as Madera County resource hubs and will play a pivotal role in MCDPH's commitment to increasing public health services accessibility to underserved communities including people experiencing homelessness and residents with limited transportation. They are staffed by MCDPH personnel who are knowledgeable about county and partner programs and can connect community members to essential services.

"The Mobile Health Team is excited to finally have new vans and eager to bring new services in a more accessible way to Madera County community members," says MCDPH's Mobile Health Team Coordinator Arely Cruz.

Key features of the Mobile Health Team includes:

- Trained MCDPH clinicians and health education specialists
- Accessibility to public health services
 - General health screenings
 - Health diagnostics testing
 - Immunizations
- Homeless outreach and engagement
- Referral specialists for medical resources and services

The Mobile Health Team and new vans will be presented at the Madera County Board of Supervisors Meeting on **Tuesday, March 14, 2023, at 10:00 am at the Madera County Government Center, 200 W. 4th Street, Madera CA 93637, in the Board Chambers.**
