DOCUMENT No. STATEMENT ON BACK OF SHEET NO [] YES X

On August 16, 1983, Don and Lola Weaver accompanied me on this visit to the corner of sections 5, 6, 7, & 8, shown on this corner record. 33 Don Weaver assisted me in measuring the bearings (with a compass) and the distances to the two Digger Pines. We also visited the corner mentioned in the Record of Survey recorded in book 14 at page 95. The statement in note 1 on the Record of Survey recorded in book 28 at page 95 has been substantiated by this second corner visit. The following signatures and notary certificate testify that the information shown on this corner record is true to the best of our knowledge and belief.

State of California SS.

on Sept 6, , 1983, before me, the undersigned, a Notary Public in and for said County and State, personally appeared Donald Weaver and Lola Weaver, known to me to be the persons whose names are subscribed to the within instrument and acknowledged that they executed the same.
