

PROPERTY TAXES COLLECTED and Posted for December 11th, 2023!

Madera, CA.— “Over one hundred and twenty million dollars in property tax payments were collected and posted for the December 11th property tax deadline”, reported Tracy Kennedy Madera County Treasurer-Tax Collector.

Madera County Treasurer-Tax Collector, Tracy Kennedy is pleased to report that all payments were posted and balanced by Thursday, December 14, 2023. The funds from property taxes are apportioned to our local school districts and cities (Madera and Chowchilla).

“Having a great team that works well together is very important to me. We are dedicated to helping our community understand their property tax bill(s) and assist in anyway we can, whether it is over the phone, in person, or on the computer. Every year, we strive for improvement to better our service to the constituents.” Says Kennedy. *“This collection installment we saw an increase of almost 10% from our E-Check payment option. We would like to encourage everyone to attempt this FREE payment method as a preferred alternative to using online bank checks, as it provides real time payment postings and immediate receipts.”*
