News about local businesses is always welcome!

Madera County EDC assists with business recruitment, expansion, and retention with a particular focus on new job creation. We provide free and confidential assistance to businesses looking to expand or relocate to Madera County.

A Message from the Director

Madera County and the city's of Chowchilla and Madera are a great place to do business for several reasons. The county has a strong and diversifying economy, with a range of industries including agriculture, manufacturing, and healthcare, and a vibrant tourism economy as a gateway to Yosemite National Park.

Madera also has a strategic location in the heart of California, making it a hub for transportation and logistics.

Additionally, we offer a supportive business environment with resources and incentives for entrepreneurs and small businesses. With a growing population and a thriving business community, Madera is an ideal location for companies looking to expand and succeed.
