## APPROPRIATIONS FOR CONTINGENCIES

### COMMENTS

#### 780100 Appropriations for Contingencies - General

The Appropriations for Contingency budget contains funds which are appropriated to meet unforeseen or emergency expenditure requirements, mid-year program initiations, State/Federal matching fund requirements, changes or expansions, employee annual vacation/sick leave payouts, and serves as a centralized pool of money that reduces the necessity for budgeting maximum amounts in departmental line-item accounts for the 2016-17 Fiscal Year.

The 2016-17 Appropriations for Contingencies is recommended at \$2,424,416, which is unchanged from the previous year. A portion of this funding is anticipated to be required for the following purposes: to cover costs related to multi-defendant special circumstance cases pending trial, for which appropriations within the Public Defender Budget may not be sufficient; impacts resulting from the implementation of the State Budget and associated trailer bills; annual leave payouts; matching requirements to receive grant funding and changes to the projected fund balance.

#### Reserve for Future Budgetary Issues

The preliminary General Fund Balance for the period ending June 30, 2016, as projected by the Auditor's Office in cooperation with the Administrative Office, is estimated at \$10.5 million. It is recommended that \$4,063,654 of the estimated fund balance be maintained in a reserve for future budgetary issues.
