CED - BUILDING AND FIRE SAFETY

COMMENTS

Under the jurisdiction of the Community and Economic Development Department (CED), the Building and Fire Safety Division is responsible for assuring the construction in Madera County adheres to the California Building and Standards Commission adopted codes. This division is a combination of the Fire Prevention for Land Development and Building Divisions and was established to provide services including plan reviews for new development and remodels, building inspections, and other necessary duties to complete the function of fire prevention for development. The Division provides minimum standards to safeguard life or limb, health, property, and public welfare by regulating and controlling structural design, construction, materials, occupancy, and location of all buildings and structures within the unincorporated area of the county.

As mandated by the State of California, Madera County has adopted the California Building Code, Title 24 which is part of the 12-part California Code of Regulations. Along with enforcing the California Building Code, the Building and Fire Safety Division enforces Madera County Ordinances and the Uniform Code for the Abatement of Dangerous Buildings. The provisions of this Code shall be administered by the Building and Fire Safety Division.

These codes shall apply to the erection, construction, enlargement, alteration, repair, relocation, conversion, occupancy, and maintenance of buildings, structures, swimming pools, solar systems, the installation of electrical wiring and appliances, plumbing, heating and cooling facilities and appurtenances necessary within the unincorporated area of the county.

The following descriptions provide a general overview of the most common permits the Division issues:

Plumbing Permits

The provisions of the California Plumbing Code apply to new construction, relocated buildings and to any alterations, repairs or reconstruction. Plumbing systems are designed and installed to the minimum standard of the California Plumbing Code. Plumbing permits vary greatly; the piping and fixtures within a single-family dwelling and pools fall under Plumbing permits, as do gas lines for propane and other fuel sources.

Mechanical Permits

The provisions of the California Mechanical Code apply to all new construction, any alterations, repairs or reconstruction. Mechanical permits are required for new or replacement systems such as heating, ventilation, refrigeration systems and components. Mechanical systems are to be designed and installed to the minimum standards of the California Mechanical Code.

Electrical Permits

The provisions of the California Electrical Code apply to all new construction, relocated buildings, solar photovoltaic systems, and to alterations, repairs or reconstruction. Electrical permits are required for new or alterations to existing electrical systems. Types of electrical permits include the wiring in a new single-family dwelling, an electric gate installation or a new well pump.

CED - BUILDING AND FIRE SAFETY

COMMENTS (continued)

Mobile Home Permits

Mobile homes and temporary or permanent mobile offices installed within the Madera County require a building permit for the installation of such structure, regardless of the type of installation being performed. Mobile homes will typically have several additional permits as part of the overall project. Mobile home placements usually require multiple permits, engineered foundations, exterior electrical, and exterior plumbing. All interior inspections and permitting is done through California Housing and Community Development.

Demolition Permits

A Demolition Permit is required for the removal of any structure, in excess of 120 square feet, located within Madera County. Demolition permits are issued in conjunction and with the approval of the San Joaquin Valley Air Pollution Control District (SJVAPCD).

Reroof Permits

Reroof permits are required for alteration, repairs or reconstruction of a building's roof system. Reroof permits shall meet minimum design, installation and construction standards of the California Building Code and California Residential Code.

Sprinkler System Permits

Provisions within the California Fire, Building and Residential Code require certain structures and occupancies to provide additional safety and protections through the installation of commercial or residential Automatic Engineered Fire Sprinkler Systems. These systems are designed and installed to the minimum standard of the National Fire Protection Association (NFPA). These permits require staff to provide a minimum of two (2) separate inspections per permit.

Fire Alarm Permits

Provisions within the California Fire and Building Code require certain structures and occupancies to provide additional safety and protections through the installation of Automatic Engineered Fire Alarm Systems. These systems are designed to alert occupants and emergency responders to fire or safety hazards within a structure and must meet the minimum design standards of NFPA 72. These permits normally require two (2) separate inspections.

Fire Pump Permit

Provisions within the California Fire Code (CFC) require dedicated and consistent fire hydrant flow rates be available. Rated Fire Pumps are designed and installed to meet these minimum NFPA and CFC standards. Fire Pump permits normally require two (2) separate inspections.

CED - BUILDING AND FIRE SAFETY

COMMENTS (continued)

Underground Fire Main Permit

Provisions within California Fire Code and NFPA require hydrant systems to be designed and installed with the capabilities to deliver the required fire flow. A minimum of three (3) inspections are required to inspect several phases of construction on this permit.

Fireworks Booth Permit

Safe and Sane Fireworks are permitted in Madera County in areas that fall within Local Responsibility Areas (LRA). LRA's are predominantly South and East of the Madera Canal. Fireworks booths require coordination with a non-profit entity, Madera County Fire Prevention and the State Fire Marshal's Office for licensing, permitting and inspection. Normally two (2) inspections are standard with a firework booth permit.

Fireworks Display Permit

Large diameter fireworks are permitted to be moved, stored and handled only by California State Fire Marshal licensed individuals. Public Fireworks displays are done several times a year within the unincorporated area of Madera County. Firing sites range from Bass Lake to Children's Hospital. These are special occasion displays usually in conjunction with 4th of July, or New Year's Eve celebrations. Each public display requires eight (8)+ hours of set up and inspection by CED-Fire staff. Emergency stand-by of Law Enforcement and/or fire station personnel is also required.

The second half of the building/fire safety/construction process is the inspection of the work. Inspections are made during certain points in the project, depending on the work that is being performed. For example, retaining walls require inspections of the footing, after block is laid and steel placed but before grouting, after backfilling has been placed, and when all work is finished.

ESTIMATED REVENUES

- | | |
|---------------|--|
| 620300 | <u>Construction Permits</u> (\$3,753,224) is recommended increased \$476,641 for residential and commercial building permits. Increase due to new development in Madera County. |
| 620700 | <u>Other Licenses & Permits</u> (\$256,180) is recommended increased \$7,960 for fire prevention projects and sprinkler permits. |
| 632000 | <u>Other Court Fines</u> (\$20,000) is recommended unchanged for fees collected for life safety violations and citations. |
| 660800 | <u>Planning & Engineer Service</u> (\$90,000) is recommended unchanged for fees collected from commercial and residential plan. |

CED - BUILDING AND FIRE SAFETY

SALARIES & EMPLOYEE BENEFITS

- 710102** **Permanent Salaries** (\$2,026,600) is recommended increased \$202,914 based on the cost of recommended salaries with the proposed staffing levels.
- 710103** **Extra Help** (\$134,572) is recommended decreased \$23,899 to fund one Building Inspector, one Permit Technician and one Office Assistant I to assist with project processing and approvals, inspections, and building violations.
- 710105** **Overtime** (\$50,000) is recommended increased \$10,000 to allow personnel to meet periodic demand of the development community.
- 710200** **Retirement** (\$912,663) reflects the County's anticipated contribution to Social Security and the Public Employees' Retirement System.
- 710300** **Health Insurance** (\$502,161) is based on the employer's share of health insurance premiums.
- 710400** **Workers' Compensation** (\$15,775) reflects the Division's contribution to the County's Self-Insurance Internal Service Fund.
- 710700** **Uniforms** (\$3,000) is recommended unchanged to provide new uniforms to new inspection staff and compensate for staff's laundering/maintenance of required uniforms.

SERVICES & SUPPLIES

- 720200** **Clothing & Personal Supplies** (\$3,000) is recommended unchanged to fund uniform shirts, rain gear, gloves, boot purchase reimbursement of 50% and hard hats for protection worn by field staff at inspection sites.
- 720300** **Communications** (\$12,000) is recommended decreased \$6,000. This line item purchases cellular phones for improving effectiveness and efficiency of the division and customer service. Additionally, data plans for tablet PCs are utilized to allow access to building codes by Building Inspectors to work more effectively in the field and allow electronic communication with the public from any Wi-Fi supported zone.
- 720600** **Insurance** (\$67,165) reflects the Division's contribution to the County's Self-Insured Liability Program.

CED - BUILDING AND FIRE SAFETY

SERVICES & SUPPLIES (continued)

- 720800** **Maintenance - Equipment** (\$500) is recommended unchanged for maintenance of equipment, printers, and computers.
- 721000** **Medical, Dental & Laboratory Supplies** (\$0) is recommended unchanged for purchase of first-aid supplies for each of the Building and Fire Inspector's vehicles.
- 721100** **Memberships** (\$2,500) is recommended decreased \$300 for membership dues for the International Code Council, the California Building Officials, the California Building Officials Association of California, the Yosemite Chapter of the International Code Council, and for additional estimated membership requirements needed for Division's personnel to attend code training, which is State-mandated.
- 721300** **Office Expense** (\$23,000) is recommended unchanged for the purchase of new code books and training manuals, printed forms, office supplies, computer supplies, printer paper, and office equipment.
- 721400** **Professional & Specialized Services** (\$1,100,00) is recommended increase \$200,000 for use of outside contractors for specialized plan checking and inspectors when the workload exceeds staffing, (Wildan and BPR Consulting Group), as well as the technical support services from Computronix for the maintenance of the POSSE database.
- 721500** **Publications and Legal Notices** (\$500) is recommended unchanged for public notices of Fee Increases and Relocation Hearings which are required per state law.
- 721601** **Rents & Leases – Co Vehicles** (\$187,500) is recommended decreased \$12,500 to lease vehicles from the Central Garage. The division has ten vehicles at an average of 16,025.64 miles per year x \$1.17 per mile.
- 721800** **Small Tools & Instruments** (\$1,500) is recommended decreased \$1500 to provide for the Division's need for equipment such as ladders, toolboxes, flashlights, and tools needed to carry out inspections.
- 721900** **Special Departmental Expense** (\$2,000) is recommended decreased \$3,000 to purchase batteries for GPS units, cameras, other minor special needs expenses.

CED - BUILDING AND FIRE SAFETY

SERVICES & SUPPLIES (continued)

722000 **Transportation & Travel** \$39,550 is recommended increased \$9,734 for CASp training and certification (mandated training for the permit and inspection staff). Staff will utilize electronic technology and local training, when possible, to minimize County costs. In addition, per Health & Safety Code Section 18949.29, 45 hours of continuing education (CE) are required every three years for Building Officials, Plans Examiners, Permit Technicians and Building Inspectors. The Department estimates \$4,900 for CE online class registrations for fourteen staff. \$7,500 registration for 5 staff first time online certification classes and online tests. We estimate that we will need ten Out of County training trips (CALBO), (SVBO), and State Fire Marshal training with registration at \$9,900, lodging \$8,800, meals \$4,300, and \$4,150 in personal mileage.

OTHER CHARGES

730330 **Leases – Principal** (\$8,500) is recommended for the business machine lease.

770100 **Interfund Expense/Revenues** (\$12,000) is recommended for office phone system.
