## FIRE - CHUKCHANSI INDIAN CASINO

### COMMENTS

In May 2003, the Madera County Fire Department started providing additional fire services that included both personnel and equipment for the Chukchansi Gold Resort and Casino service area. This increased level of service was made possible through an MOU (Memorandum of Understanding) between the County of Madera and Picayune Rancheria of Chukchansi Indians. A new fire station, Indian Lakes Fire Station #8, was completed near the Casino site in Fiscal Year 2006-07. The cost of the staffing and related expenses for this fire service was to be reimbursed by the Chukchansi Tribe, and is subject to employee compensation and administrative rate adjustments authorized by the State. On February 14, 2007, a new MOU was entered into between the County of Madera and Picayune Rancheria of Chukchansi Indians. That MOU provided for continued fire services to the Casino and the immediate area; however, it only provided for the reimbursement of salaries and employee staff benefits, and not services and supplies. In July 2021, the Madera County Fire Department signed a new agreement with the Chukchansi Gold Resort and Casino for additional staffing. This agreement was initially signed in May 2003 and then updated in February 2007. The cost of staffing and related expenses for this fire service agreement is reimbursed to the County every quarter. The agreement provides an area of protection for the surrounding area. It also provides the casino the complete security of a Countywide Fire Department and other multi-aid resources when there is a need at the casino.

The expenditures for this budget were not listed in a separate budget until Fiscal Year 2005-06.

### ESTIMATED REVENUES

**662766**      **Fire Reimbursement Indian Casino** (\$2,028,849) reflects the projected reimbursements for actual CAL FIRE agreement costs to staff Station 8 plus a 12% county administrative overhead charge to cover the County's costs of running Station 8.

### SERVICES & SUPPLIES

**720200**      **Clothing & Personal Supplies** (\$21,589) is recommended for new and replacement clothing (helmets, face shields, goggles, turnout jackets and pants, nomex jackets and pants, boots, gloves, and personal alarms) for permanent and seasonal staff. The department has not purchased gear and equipment on a regular basis and is currently out of safety compliance on a majority of our personal protective equipment requiring the need to develop a replacement schedule. To completely outfit individuals with the required CAL-OSHA clothing, the cost is approximately \$8,000 each.

**720300**      **Communications** (\$2,803) is recommended for all telephone costs at Station #8.

**720500**      **Household Expense** (\$4,914) is recommended for the cost of consumable household supplies and is for replacement of items such as dishes, cooking utensils, towels, sheets, other household expenses, and refuse disposal.
