Electric Power Use Declaration

I, _____, am the property owner or authorized agent of the property owner of Assessor's Parcel Number (APN) _____, and am requesting an electrical permit for a domestic well on this property by electrical permit number _____.

I plan to use this power for domestic irrigation only. **If a violation of Madera County Ordinance develops on this property, I authorize Madera County to request that the Pacific Gas and Electric Company (P.G. & E.) disconnect the electric service authorized by Permit Number: _____ . I further authorize P.G. & E. to perform that power disconnect.**

[The most common examples of Madera County Code violations that would cause Madera County to seek disconnection of the electrical power to the property are "Building construction without permits, and/or inspections" and "Occupancy of a mobile home, travel trailer, or site-built structure without proper permits and/or inspections". There are many other violations that could also cause Madera County to seek a power disconnect.]
