## PROBATION – LOCAL COMMUNITY CORRECTIONS

### COMMENTS

On April 4, 2011, Governor Brown signed Assembly Bill 109 (AB 109), the Public Safety Realignment Act, to address overcrowding in California's prisons. The 2011 public safety realignment contained in AB 109/AB 117 specifies new local responsibilities for managing certain adult offenders and allows for maximum local budget and programming flexibility within a statutory framework.

The Community Corrections Partnership (CCP) Committee, originally created under Senate Bill 678, was charged with the responsibility of developing a local realignment plan. On September 27, 2011, the Madera County Board of Supervisors adopted the County of Madera Public Safety Realignment Plan per Penal Code sections 1230.1 and 3451. This plan involves a multi-agency collaboration as reflected in the budget.

During FY 2012-13, the Madera County Sheriff-Gang Task Force began to receive funding from Local Community Corrections (LCC) AB 109, as recommended by the CCP Executive Committee. In prior years, the Gang Task Force was entirely funded by the County General Fund. Due to the ongoing fiscal situation in Madera County, the Gang Task Force potentially would not have survived the budget cuts necessary to balance the 2012-13 and 2013-14 Madera County Budgets. In FY 2014-15, the Gang Task Force was incorporated into the LCC AB 109 budget to provide continuity of service to the citizens of Madera County.

### **STAFFING (continued)**

- (2) Executive partners, Madera City Police and Madera County Sheriff, have requested the addition of a Mental Health Crisis Worker to be dedicated to local law enforcement.
- (3) In September 2015, the Madera County Auditor's Department, after review of Internal Revenue Service Publication 15-A, determined that the contract provider for Probation program curriculum and mentor services was in fact working in the capacity of a FTE. This determination required the termination of the contract. The services provided are an integral part of the preventative and rehabilitative assistance that has statistically proven decreased numbers of recidivism. On February 23, 2016, your Board approved the additional allocation.
