DEPARTMENT OF SOCIAL SERVICES - PUBLIC ASSISTANCE PROGRAMS

COMMENTS

This budget provides for direct payments to indigent persons meeting eligibility criteria established by Federal and/or State Welfare laws and regulations.

TEMPORARY ASSISTANCE TO NEEDY FAMILIES (TANF)

In August 1996, the Federal Government passed the Welfare Reform Bill, including regulations regarding TANF. In August 1997, the State of California adopted these TANF regulations into a State Program entitled CalWORKS. An employment program is the principle component of CalWORKS. Counties are required to prepare a detailed plan on how the program will put the maximum number of people into employment. The Federal bill also sets time limits in which an individual can remain on assistance without working and the total amount of time a person has during a lifetime to receive TANF benefits.

The Department of Social Services developed and received approval from the California Department of Social Services to implement a local CalWORKS Program.

STATE REALIGNMENT

1991 Realignment - The provisions of AB 948 and AB 1288 have been in effect since July 1, 1991. These bills contained provisions which changed the State and County sharing ratios for a number of Assistance programs. In addition, the State Legislation created the Local Revenue Fund which distributes the revenue from increased Sales Tax and Vehicle License Fees (Realignment Revenue) to counties to offset the net increase in the counties' level of participation. The revenue from Realignment for 2013-14 is estimated at \$4,600,000.

2011 Realignment - The provisions of AB 118 and AB 116 have been in effect since July 1, 2011. These bills contain provisions which shifts responsibility for certain programs from the State to the counties, and redirects specified sales tax revenues to fund them. The Assistance programs affected are Foster Care (FC) and Adoption Assistance Payments (AAP). The revenue from Realignment for 2013-14 is estimated at \$1,492,050 and \$1,122,800, respectively, for these two programs. Additional Realignment revenue is estimated at \$8,799,000 to offset the added County share of CalWORKS assistance payments which was State share prior to Realignment.

DEPARTMENT OF SOCIAL SERVICES - PUBLIC ASSISTANCE PROGRAMS

ASSISTANCE PROGRAMS

For 2013-14, the Department of Social Services – Public Assistance Programs budget has increased \$824,048 from 2012-13 to provide appropriations for the Public Authority Health Benefits which will be fully reimbursed. The local share of costs for Welfare to Work, CalLEARN incentives, and CalWORKs-Child Care are budgeted in the Social Services Administration Budget as part of the County Maintenance of Effort (MOE) to meet State claiming requirements.

CalWORKS

The CalWORKS Program (\$21,000,000) is recommended unchanged from 2012-13 fiscal year. Overall local share is equivalent to 2.5 percent (\$525,000) of program costs. Realignment revenue is estimated at \$8,799,000.

The CalWORKS program provides cash assistance payments for families with dependent children. Assistance payments provide a temporary means of assisting the family while also providing the training and educational support needed by the aided adult to gain employment and become self-sufficient. Under CalWORKs, non-exempt adult recipients must participate in work activities from 30 to 35 hours per week. The CalWORKS Program is broken out into program categories of All Families, Two Parents, Zero Parent, TANF Timed Out and Safety Net Families.

Costs of the CalWORKS Program are divided approximately 55.6% - Federal, 41.9% - State (Realignment), and 2.5% - County funds.

FOSTER CARE

Appropriations (\$5,300,000) are recommended reduced \$200,000 from 2012-13 fiscal year. County share is estimated at \$2,212,700. For 2013-14, 2011 Realignment is estimated at \$1,492,050, which is funded by sales tax revenue. County-only cases are estimated to cost \$225,000, for a total County cost of \$2,437,700.

Included within this budget are funds for Foster Homes, Foster Family Agencies (FFAs) and Group Homes (which are non-residential facilities other than foster homes). Legislation also provides for the cost of reasonable travel for a child to remain in the school in which the child is enrolled at the time of placement. Also, recently passed AB 12 legislation allows the extension of foster care to eligible youth up to age 19 effective January 1, 2012, with extension to age 20 effective January 1, 2013.

The Department of Social Services currently provides an additional \$110 to \$740 per month to qualified foster parents who accept children determined to have severe behavioral and mental problems. This decision was based on potentially reducing foster care costs by being able to place difficult juveniles in foster homes rather than in high-cost group homes.

DEPARTMENT OF SOCIAL SERVICES - PUBLIC ASSISTANCE PROGRAMS

FOSTER CARE (continued)

The initial clothing allowance for foster care depends on the age of the child:

<u>Age</u>	
0-6 years:	\$215
7-12 years:	\$342
13-20 years:	\$436

WELFARE TO WORK (WTW)

Appropriations (\$800,000) are recommended increased \$200,000 from 2012-13 fiscal year to provide for CalWORKs participants' expenses for transportation and other eligible needs under the Program.

IN-HOME SUPPORTIVE SERVICES (IHSS)

Through IHSS, elderly, disabled poor receive housekeeping services so they may remain in their homes.

The estimated total program cost is at \$17,600,000, of which the County MOE share is \$3,186,048.

During 2002-03, the Board of Supervisors created a Public Authority which is responsible for the administration of the referral and training of Independent Providers. The Authority is also responsible to conduct collective bargaining with the certified organization for wages and benefits. (See In-Home Supportive Services - Public Authority budget.) The County currently compensates the independent providers under the IHSS program with an hourly rate of \$9.75. In addition, \$0.60 cents per hour will be contributed for the independent providers' health benefit costs which is fully reimbursed. Estimated health benefit costs are \$938,000.

AID FOR ADOPTED CHILDREN

Appropriations (\$2,800,000) are recommended increased by \$100,000, based on current caseload for payments to special needs foster care children who have been adopted. Federal subsidies were created by Congress (Public Law 96-272 the Adoption Assistance and Child Welfare Act of 1980), to encourage the adoption of special needs children and remove the financial disincentives for families to adopt. AB 12 legislation allows for the extension of Adoption Assistance Program to eligible youth up to age 19 effective January 1, 2012, with extension to age 20 effective January 1, 2013. County share is estimated at \$375,200. 2011 Realignment is estimated to be \$1,122,800, which is funded by sales tax revenue.

DEPARTMENT OF SOCIAL SERVICES - PUBLIC ASSISTANCE PROGRAMS

CAL-LEARN

Appropriations (\$20,000) are recommended unchanged. Cal-Learn is funded by State and Federal funds and provides for intense supportive and counseling services for teenage mothers and pregnant girls. The budget provides payments for supportive services such as transportation, child care and ancillary expenses.

CalWORKs CHILD CARE

Child care services are provided to CalWORK's recipients when they enter a job club/search, or when child care is needed for a recipient to complete the Welfare-to-Work Plan. The family will continue to receive child care services until a family's child care is stabilized, but not more than six (6) months.

Appropriations (\$400,000) are recommended unchanged from the 2012-13 fiscal year. For 2013-14, customers are continuing to be exempted from participating in Welfare to Work (WTW) activities, thus diminishing the need for the higher level of child care, and resulting in the reduction to projected child care costs. The allocation was not reduced; the need for services decreased because of the change in regulation and the number of families served in WTW.

KIN GAP

Appropriations (\$220,000) are recommended unchanged. This program offers relative care givers of dependent children a new option for providing a permanent home to these children through a subsidy to children who leave the juvenile court dependency system to live with a relative legal guardian. To be eligible for the program, the child must have lived with the relative at least six consecutive months. AB 12 legislation allows the extension of Kin Gap to eligible youth up to age 19 effective January 1, 2012, with extension to age 20 effective January 1, 2013. The County share of this Program is \$37,400, unchanged from 2012-13.

CASH ASSISTANCE PROGRAM FOR IMMIGRANTS

Appropriations (\$30,000) are recommended unchanged. This program is for non-citizens who entered the United States on or after August 22, 1996, and meet Federal definitions of a qualified alien. All Costs for this program are 100% State funded.

DEPARTMENT OF SOCIAL SERVICES - PUBLIC ASSISTANCE PROGRAMS

HOUSING ASSISTANCE/ TRANSITIONAL HOUSING PROGRAM

Appropriations (\$150,000) are recommended unchanged. This program is for emancipated youth exiting the Child Welfare System and is 100% State funded. Youths live with host families, and case management services are available to assist in the emancipation process. The goal is to provide participants with safe living environments while helping them learn safe life skills to achieve self-sufficiency.
