## APPROPRIATIONS FOR CONTINGENCIES

### COMMENTS

#### **780100      Appropriations for Contingencies - General**

The Appropriations for Contingency budget contains funds which are appropriated to meet unforeseen or emergency expenditure requirements, mid-year program initiations, State/Federal matching fund requirements, changes or expansions, and employee compensation and benefits, and serves as a centralized pool of money that reduces the necessity for budgeting maximum amounts in departmental line-item accounts for the 2012-13 Fiscal Year.

The 2012-13 Appropriations for Contingencies is recommended at \$2,624,416, which is unchanged from the previous year. A portion of this funding is anticipated to be required for the following purposes: to cover actual costs related to the two change-of-venue homicide cases being handled by the District Attorney's and Public Defender's Offices, which is not included in their departmental budget; impacts resulting from the implementation of the State Budget and associated trailer bills; and changes to the projected fund balance.

It is recommended that any revenues that may materialize or any budget reductions that may occur be directed to the Appropriations for Contingencies budget. The amount budgeted is considerably low. A prudent contingency fund for a General Fund budget of \$168 million is 3% or approximately \$5,100,000.
